

Job Profile and Description: **Truck Driver (CDL – Class A)**

A Truck Driver is responsible for the transportation of construction equipment and materials to and from all job sites.

Duties and Responsibilities

The following list contains many of the duties to be performed but is not all-inclusive. They are:

- Must have knowledge and conduct maintenance of single and multi-rear axle trucks meeting the requirements for Commercial Driver's Licensing (including a general knowledge of laws, regulations and operation of the stated vehicle);
- Perform pre-trip inspections (correctly complete driver's log book) of his/her vehicle and be able to explain what one inspects and why;
- Maneuver and control the vehicle in a safe fashion, which includes handling the vehicle on-site and in over-the-road situations, proper signaling, searching for hazards, controlling speed, lane positioning, matching speeds to road conditions (wet, dry, snow, or ice), and the ability to drive during the daytime or nighttime;
- Safely load and unload all equipment/materials over all terrains, and properly secure all loads;
- Responsible for routine fueling, lubricating, and servicing of their vehicle;
- Understand air brake systems if any vehicle is equipped with the system;
- Help transport cranes and other equipment over-the-road;
- Travel to job sites and work outdoors;
- When not driving, will be directed by supervisor on tasks to be completed around shop and yard;
- May need to occasionally lift and carry up to 100 lbs.;
- Perform all of the above job functions in a safe manner in order to avoid personal injury and equipment damage.
- Follow directions carefully.
- Comply with regulations and safety requirements.
- Do any additional tasks that are asked or need to be completed.

Skills and Specifications

- Must have and maintain a current valid commercial driver's license;
- License must be a Class A for specific truck driven;
- Demonstrate the ability to load/unload, secure load, obey highway traffic regulations, and deliver equipment and materials in a timely manner as not to delay production on job sites;
- Must be able to perform pre-trip inspection and properly fill out DOT driver log and fuel record;
- Must deliver/pick-up equipment, materials and other supplies in a timely fashion as judged by Supervisor and Vice President;
- Must be proficient in the maintenance of the vehicle they are driving;
- Must have reliable transportation and show up to work on time every day;
- Must be willing to travel to any and all job sites without exception (including staying away from home if necessary);
- Must comply with all company safety and personnel policies;
- Must be able to work the hours necessary in order to achieve the goals of the company. **Includes weekend and short notice work.**

Physical Requirements

- Must be able to stand and/or be on their feet up to 10-12 hours / day
- Must be able to occasionally lift and carry up to 50 lbs.
- Must be able to climb, bend, stoop, kneel, lift overhead, work at heights, walk/work in rough terrain in order to access equipment, tools, materials, and job site in order to complete work;
- Must be able to work in outdoor weather and/or unregulated temperatures for 10-12 hours / day

Education and Qualifications

- High School Diploma or Equivalent
- 4+ years experience driving a truck with heavy equipment (preferred)
